

UK Hydrogen and Fuel Cell Association Registration Form

Please register
as a prospective member of the UK Hydrogen and Fuel Cell Association.

Membership grade (please tick one box):

Membership grade	Net cost	Total cost (inc. VAT)	Please select grade
Sustaining ¹	£6,000	£7,200.00	<input type="checkbox"/>
Corporate	£3,000	£3,600.00	<input type="checkbox"/>
Related organisation	£3,000	£3,600.00	<input type="checkbox"/>
Small company ²	£1,000	£1,200.00	<input type="checkbox"/>
University / educational establishment / micro company ³	£500	£600.00	<input type="checkbox"/>
Individual membership	£250	£300.00	<input type="checkbox"/>

1. Sustaining members benefit from the opportunity to steer the Association through the year, with regular meetings to agree policy and plans. A further benefit is the opportunity to participate in meetings with key external stakeholders, and greater involvement in the development of submissions etc.

2. A small company is one having 10-50 employees

3. A micro company is one with 10 or fewer staff

Membership runs for one year from the month of joining.

Please tick to confirm that you will abide by the requirements of the Constitution
