

UK Hydrogen and Fuel Cell Association Registration Form

Please register as
a prospective member of the UK Hydrogen and Fuel Cell Association.

Membership grade (please tick one box):

Membership grade	Net cost	Total cost (inc. VAT)	Please select grade
Executive ¹	£6,900	£8,280	
Corporate	£3,500	£4,200	
Related organisation	£3,500	£4,200	
Small company ²	£1,150	£1,380	
University / educational establishment / micro company ³	£580	£696	

1. Executive members benefit from the opportunity to steer the Association through the year, with regular meetings to agree policy and plans. A further benefit is the opportunity to participate in meetings with key external stakeholders, and greater involvement in the development of submissions etc.
2. A small company is one having 10-50 employees. For this level of membership, up to 2 people may attend UK HFCA events for free.
3. A micro company is one with 10 or fewer staff. For this level of membership, up to 1 person may attend UK HFCA events for free.

Membership runs for one year from the month of joining; refunds for partial membership are not possible.

Please tick to confirm that you will abide by the requirements of the Constitution.

Payment method:

Cheque made payable to UK Hydrogen and Fuel Cell Association
(to be submitted with Registration Form)

Invoice required

UK Hydrogen and Fuel Cell Association
