1. Executive members benefit from the opportunity to steer the Association through the year, with regular meetings to agree policy and plans. A further benefit is the opportunity to participate in meetings with key external stakeholders, and greater involvement in the development of submissions etc.
2. A small company is one having 10-50 employees. For this level of membership, up to 2 people may attend UK HFCA events for free.
3. A micro company is one with 10 or fewer staff. For this level of membership, up to 1 person may attend UK HFCA events for free.

Membership runs for one year from the month of joining; refunds for partial membership are not possible.

If you are registering to be an Executive Member, please tick to confirm that you are happy for your details and those of your colleagues to be shared with other members of the Executive Team.

There is an opportunity to join our working groups for green hydrogen, blue hydrogen, and fuel cells. Please tick to confirm that you are happy for your details to be shared with other members of the working group you would like to join for collaborative purposes.

Please tick to confirm that you will abide by the requirements of the Constitution.
